## Voice & Music Studio: 2022-2023 Policies

### UPDATED STUDIO SCHEDULE & LOCATIONS

#### SCHEDULE

Regularly scheduled lessons are in-line with the academic year, based on the San Diego Unified School District Calendar. Lessons are Monday thru Friday.

A calendar is provided for your convenience and advance planning. It includes dates when the studio will be closed. Please mark these in your own planners at your earliest convenience.

When the studio is closed, then payment is pro-rated to reflect the number of lessons taken.

#### SUMMER

From June 16<sup>th</sup>, throughout July and up until August 31st 2023 an alternative summer schedule will be in operation, still TBD.

#### LESSON LOCATION

Lessons are taught Mon-Fri only.

Mon and Tuesday in La Jolla and Wed-Fri in Mission Valley, San Diego.

Virtual lessons are also available for students from out of town.

Local students may also opt for virtual lessons in specific circumstances, but this must be agreed upon in advance.

On rare occasions Vanessa will travel to the student's home to give lessons.

**An additional fee of \$10 per lesson is added for the in-home service.** Lessons at students' homes can be difficult to schedule since additional driving time cuts into the busy teaching day, especially around rush hour times.

This is not preferred and only available in special circumstances and when scheduling allows.
