Voice & Music Studio: 2023-2024 Policies STUDIO SCHEDULE & LOCATIONS

Regularly scheduled lessons are in-line with the academic year, based on the San Diego Unified School District Calendar.

SCHEDULE

Lessons are Monday & Tuesday, then Thursday thru Saturday.

A calendar is provided for your convenience and advance planning. It includes dates when the studio will be closed. Please mark these in your own planners at your earliest convenience.

When the studio is closed, then payment is pro-rated to reflect the number of lessons taken.

SUMMER

From June 6th, throughout July and up until August 31st, 2024, an alternative summer schedule will be in operation, still TBD.

LESSON LOCATION

Mon and Tuesday in La Jolla and Thursday to Saturday in Mission Valley, San Diego.

Virtual lessons are also available for students from out of towners.

Local students may also opt for virtual lessons in specific circumstances, but this must be agreed upon in advance.

On rare occasions Vanessa will travel to the student's home to give lessons.

An additional fee of \$10 per lesson is added for the in-home service. Lessons at students' homes can be difficult to schedule since additional driving time cuts into the busy teaching day, especially around rush hour times.

This is not preferred and only available in special circumstances and when scheduling allows.
