

## Voice & Music Studio: 2024-2025 Locations & Annual Calendar

### STUDIO LOCATIONS

#### LESSON LOCATIONS

- Monday and Tuesday in La Jolla at St. James by-the-Sea Episcopal Church, 743 Prospect Street, La Jolla, CA 92027.
- Thursday to Saturday at Vanessa’s home studio in Mission Valley, San Diego, 92108. Address and directions supplied as needed.
- Virtual lessons are also available for students from out of town.
- Local students may also opt for virtual lessons in specific circumstances, but this must be agreed upon in advance.

On very rare occasions Vanessa will travel to the student’s home to give lessons.

**An additional fee of \$30 per lesson is added for the in-home service.** Lessons at students’ homes can be difficult to schedule since additional driving time cuts into the busy teaching day, especially around rush hour times. *This is not preferred and only available in special circumstances and when scheduling allows.*

### STUDIO SCHEDULE

- Regularly scheduled lessons are in-line with the academic year, based on the San Diego Unified School District Calendar.
- Lessons are Monday & Tuesday, then Thursday thru Saturday. The Studio is ALWAYS closed on Wednesdays and Sundays without exception.
- Please refer to the calendar below for your convenience and advance planning. It includes dates when the studio will be closed. Please mark these in your own planners at your earliest convenience.  
When the studio is closed, then payment is pro-rated to reflect the number of lessons taken.

During the summer months, when school is on break, an alternative summer schedule will be in operation, scheduled month-by-month.
